#### NRR 2024/25 Eligibility:

- ✚ Must be a registered RSA Street Stocker
- ✚ Nomination fee of \$50.00 (Non-refundable) must be paid in full before nominations close for round 2 of the series.
- ✚ If the FULL entry fee is not paid before nominations close for round 2 then no allocation eligibility of any monies will be awarded.
- ✚ Grafton or Lismore club must be nominated for away/home points allocation and overall honours.

## **IN THE EVENT OF A WASHOUT**

The NRR committee will try and reschedule any wash out or cancelled meeting, including COVID related cancelations, if possible, for later in the season. Unfortunately, this may mean it is necessary to give short notice to an upcoming meeting. All participating drivers will be notified of any change to the meeting at the earliest convenience. If we do have cancelled or washed out meetings and they cannot be re-scheduled, the Championship may be decided on no less than 3 completed rounds. If the Championship is left undecided sponsorship dollars will rollover to the 2025/26 season's Championship.

If a meeting is washed out or cancelled part the way through a meeting, each driver must have contested and completed a minimum of two heats each for the meeting to count as a round in the Championship. Those points only will be allocated to the driver's total.

## **SPONSORSHIP ALLOCATION**

All sponsorship monies will be combined and after trophy and sticker costs have been paid - allocated the following ways: 50% will be allocated to the prize pool. Of which monies will be awarded for 1st (60%), 2nd (30%), 3rd (10%). The remaining 50% of sponsorship dollars will be allocated to entrants for tow/fuel/travel expenses.

This will be divided and paid to entrants at the END of the championship. The amount given to each contestant will be decided by total cars/ total rounds completed and then split evenly between entrants. Payments will be made electronically to your nominated bank account within 21 days of the final round.

## **BONUS POINTS**

- 🚩 **Appearance points:** 5 bonus points per round competed. 15 bonus points will be allocated to the away drivers. To receive these points, you MUST nominate on time and have your car scrutineered and cleared for competition.
- 🚩 **On time nomination:** You will receive 5 bonus points for nominating to the tracks by the allocated time. Nominations must be made through your club secretary, to the nominated host track by Facebook.
- 🚩 **Naming & Sponsor points:** You will receive five (5) bonus points per round if you are displaying the series sponsors' sticker on your car. (If you need another sticker you can request extra stickers from the Club's Secretary. Drivers that requested a sticker and none are available on the day of competition; bonus sponsor points will still be allocated).

NOTE: ALL the above-mentioned Bonus Points are only awarded after car has been scrutineered and cleared for competition on the day. Scrutineering will close one (1) hour before race advertised start time.

## **POINTS SYSTEM**

- 🚩 NO points will be awarded for any featured event other than heats and Feature A Main. (*e.g. points will not be allocated for B Main, Consolation or Stars Dash, etc*)
- 🚩 NO points will be allocated to a car that is black flagged for driving infringements or later disqualified from an event.
- 🚩 NO points will be given to a car that does not finish a heat or feature.
- 🚩 Entrant and finishing numbers include both Championship and non-competing cars.

- ✚ Points are awarded on your finishing position in the race, NOT your position in relation to cars competing in the Championship. *For example, finish 1<sup>st</sup> = points for 1<sup>st</sup>, finish 3<sup>rd</sup> = points for 3<sup>rd</sup>, even if a car not participating in the series comes 2<sup>nd</sup>.*
- ✚ Points are collated by representative from both clubs and compared on a regular basis.
- ✚ Heat points and feature points are shown in the table below:

| HEAT POINTS |    | FEATURE POINTS |     |

- ✚ You will receive heat finishing points based on the order as you cross the line. If you DNF you will receive NO points.
- ✚ You will receive feature finishing points as based on the order as you cross the line. There are NO team entries. Only ONE driver can nominate per round per car. If you share the driving only the nominated driver will receive points based on the Heats/Feature A-Main he/she completes.

- ✚ The winner of the Championship will be awarded with a trophy and he/she will receive a perpetual Trophy. This will be required to be handed back to the Club at the end of the following season or upon request from the NRR committee.
- ✚ Nomination fees will be included with sponsorship money for the prize jackpot. These monies will be paid out to the eligible driver at the end of the season.
- ✚ Sponsorship money – see Sponsorship allocation information on previous page.
- ✚ Northern Rivers Rumble Championship is not for profit, all money in will be paid to drivers (with the exception of documented costs involved).
- ✚ In the case of drivers being on the same amount of points at the end of the Interclub Championship, using the last Round ONLY by passing points will allocated to these drivers only. If drivers continue to have the same points, we will continue to go back through the rounds allocating passing points until the drivers can be split. If after all passing points have been allocated and the drivers are still tied and in the Top 5, they will split any prize money and receive a trophy each.
- ✚ Exact prize money may not be decided until well into the season with the possibilities of more sponsors coming on board. Rain-out travel points – 10 points will be awarded to any AWAY driver that nominates for that event, in the event it cannot be re-scheduled only.
